6 PERSON LOUNGER SPA WITH 58 JETS

- 58 Exclusive Black Candy Cane™ Jets
- Exclusive High Performance 6.0 BHP Pump
- Exclusive 5.5 kW Titanium Heating System
- Premium LED Lighting Package

STRUCTURAL

Cal Spas Escape™ Spas are warranted against water loss due to defects in the spa shell for ten years from the original date of delivery.

PURE HEAT™

Cal Spas Escape™ Spa heater is warranted to be free from defects in materials and workmanship for seven years from the original date of delivery.

FINISH

Cal Spas Escape™ Spas are warranted against blistering, cracking, or delaminating of the interior surface of the spa shell for seven years from the original date of delivery.

PLUMBING

Cal Spas Escape™ Spas are warranted against leaks due to defects in workmanship or materials for five years from the original date of delivery.

EQUIPMENT & CONTROLS

Cal Spas Escape™ Spas electrical equipment components – specifically limited to the pumps and control system – are warranted against malfunctions due to defects in workmanship or materials for five years from the original date of delivery.

CABINET

Cal Spas Escape™ Spa cabinets are warranted against defects in workmanship or materials for five years from the original date of delivery. Normal wear and weathering of the finish will occur naturally over time and are not defects.

SPECIFICATIONS & FEATURES

- **Seating:** 6 person
- **Dimensions:** 84"W x 84"L x 39.5"H
- **Weight:** 800 lbs. / 4,340 lbs. filled
- **Water Capacity:** 425 gallons
- **Electrical:** Pump Voltage – 240V
- **Durable Acrylic Shell:** The thickest acrylic in the industry. Vacuum-molded using an exclusive Fibersteel™ Construction process, then reinforced with vinyl ester and fiberglass.
- **Cabinet:** Maintenance-free Cal Preferred™ Synthetic Cabinet Panels in Black, Mist, Mahogany, Smoke or Teak
- **Heavy-Duty Hydro-Armor™ Spa Cover:** A 5" thick cover tapers to 3" at the edges to prevent precipitation from pooling. The shield features safety locks and straps with a dense foam core to ensure superior thermal insulation.
- **Electronic Controls:** Whisper Power Unit™ BP501G1 Equipment with Digital TP800 Topside is a user friendly topside display with easy-to-read digital readout with backlight is easy to operate and places every vital control at your fingertips
- **58 Exclusive Black Candy Cane™ Jets:** Each jet delivers a steady stream of water and is designed to address a specific muscle group for the ultimate hydrotherapy experience:
 - **Back, Neck and Shoulder Jets** deliver invigorating massages to sore back, neck and shoulder muscles
 - **Dedicated Calf Jets** treat tired and sore calf muscles
- **Three Full-Size PurePlush™ Cascade Pillows:** cradle your neck as you unwind after a long day!
- **Curved Cascade Waterfall:** A soothing sound enhanced with LED lighting captures your senses, adding your overall relaxation experience
- **Premium LED Lighting Package:** includes a multi-colored LED spa light, LED perimeter lighting, and LED waterfall lighting
- **High-Performance 2 x 6.0 BHP Pump System:** features two independent winding speeds to maximize efficiency and durability – the most reliable pumps with less moving parts
- **100 sq. ft. Bio-Clean™ Filter with Weir Gate:** An easily accessible, reusable filter that provides balanced filtration. This system uses Microban inhibitors to prevent bacteria growth.
- **Exclusive PureCure™ UV Water Sanitization System:** uses the power of natural ultraviolet light to purify spa water; instantly killing bacteria, algae and viruses
- **Exclusive 5.5 kW Titanium Heating System:** The most dependable, longest lasting heater in the industry. With its patented design, the heater element is coiled around a stainless tube and never comes into contact with the water.

- **Thermo-Guard™ Full Foam Insulation:** High-density insulation locks all plumbing firmly in place. Closed cell foam provides additional structural support and helps repel water. Energy efficiency is increased with the standard application of Shell-Loc™ Foam Technology and Thermo-Layer™ Cabinet Insulation.
- **ABS Bottom Pan:** seals out cold air and moisture and retains valuable heat. Saves energy for efficient operating costs
- **Exclusive Stor-Dry Winterizing Plumbing System:** All lines are plumbed to the drain valve to enable full water drainage and protect the spa from freezing during cold winter months
- **Gate Valves:** help prevent water from draining out of the hot tub when equipment must be removed for maintenance
