

# Cal Spas®

The HOME RESORT Experience

## Designer™ IN GROUND SPAS

## In-Ground™ Spa Collection

If you are looking for a custom built-in spa for your backyard Home Resort, then the In-Ground™ Spa Collection has the perfect spa for you! These premium in-ground hot tubs are practical alternatives to traditional concrete hot tubs and can be customized to fit your backyard landscape. Getting that custom built-in look for your backyard—while maintaining the premium quality that Cal Spas engineering is known for—has never been so easy! Available with or without massage therapy jets, In-Ground™ spas are the ultimate answer to relaxing in-ground hydrotherapy.
