LUXURY BACKYARD KITCHEN BBQ ISLAND Bring This Home.

LBK-710

Are you interested in adding a barbecue island to your backyard landscape? Cal Flame has a barbecue island solution that accommodates your backyard space and is quick to order and simple to install. The LBK-710 is a beautiful Luxury Backyard Kitchen (LBK) BBQ Island that not only complements your backyard landscape, but also expands your outdoor cooking technique to surpass traditional grilling.

Standard features include an electrical outlet, 3" bottom tile trim, and the following stainless steel equipment:

- P4 Grill with 4 Burners, LP
- Standard Single Flat Side Burner, LP
- 30" Double-Access Door
- Stainless Steel Refrigerator

Durable Porcelain Tile or Natural Stone Tile countertop color options paired with AmeriStone Stucco or Cultured Stone base designs are combined to best match your overall outdoor setting. Customize countertops further by styling tiles with either one- or two-tone colors. Choose from the following countertop and base design options to complement your backyard landscape:

LBK-401 R/L

LBK-820 R/L

LBK-801

LBK-830 R/L

LBK-870 R/L

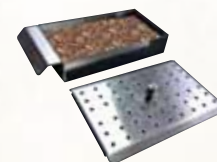

P SERIES P4™ 4-BURNER DROP-IN GRILL BBQ13P04

- Constructed with 16-gauge 304-commercial grade stainless steel for lasting quality, style and durability
- Seamless stainless steel design for easy clean-up
- Double-wall insulation for safety and resilience
- Exclusive curved handle design with a single-piece of solid stainless steel
- 800-square inches of cooking surface
- 4 solid stainless steel cooking grates are dishwasher safe and uniquely V-shaped to prevent smaller foods from falling through
- 5 solid cast stainless steel burner control knobs with independent burner ignition
- 4 heavy-duty solid cast stainless steel burners deliver up to 15,000 BTU each for an overall 60,000 BTU
- Full-width Rotisserie Bar with a 15,000 BTU infrared back burner and motor roasts up to 35 lbs.
- Integrated lip guard on each burner to prevent clogging from the fats and juices that naturally drip from grilling
- Full-width Warming Rack has 2 positions and is dishwasher safe
- Easy-to-read built-in temperature gauge monitors grill heat levels when the canopy is closed
- 2 internal grill lights are convenient when grilling at twilight and night
- Vented front splash guard prevents grease build-up on the burner control knobs
- Stainless steel drip pan spans the full width and depth of the grill
- Standard accessories: Complete Rotisserie System, P-Griddle Tray, P-Smoke Tray and Grill Cover
- Liquid propane only
- ETL and CE certified

P-Griddle Tray
Enjoy fried favorites like eggs or bacon with this griddle tray.

P-Smoke Tray
Infuse poultry and meats with the smoky flavor everyone loves!

P-Grill Cover
Protect and house the grill with a durable vinyl cover.
