STRUCTURAL

Cal Spas Platinum™ Spas are warranted against water loss due to defects in the spa shell for ten years from the original date of delivery.

PURE HEAT™

Cal Spas Platinum™ Spa heater is warranted to be free from defects in materials and workmanship for seven years from the original date of delivery.

FINISH

Cal Spas Platinum™ Spas are warranted against blistering, cracking, or delaminating of the interior surface of the spa shell for seven years from the original date of delivery.

PLUMBING

Cal Spas Platinum™ Spas are warranted against defects in workmanship or materials for five years from the original date of delivery.

EQUIPMENT & CONTROLS

Cal Spas Platinum™ Spas electrical equipment components – specifically limited to the pumps and control system – are warranted against malfunctions due to defects in workmanship or materials for five years from the original date of delivery.

CABINET

Cal Spas Platinum™ Spa cabinets are warranted against defects in workmanship or materials for five years from the original date of delivery. Normal wear and weathering of the finish will occur naturally over time and are not defects.

SPECIFICATIONS & FEATURES

- **Seating:** 6 person
- **Dimensions:** 93" x 93" x 39.5"
- **Weight:** 900 lbs. / 4,648 lbs. filled
- **Water Capacity:** 450 gallons
- **Electrical:** Pump Voltage – 240V
- **Durable Acrylic Shell:** The thickest acrylic in the industry. Vacuum-molded using an exclusive Fibersteel™ Construction process, then reinforced with vinyl ester and fiberglass.
- **Cabinet:** Maintenance-free Cal Preferred™ Synthetic Cabinet Panels in Black, Mist, Mahogany, Smoke or Teak
- **Heavy-Duty Hydro-Armor™ Spa Cover:** A 5" thick cover tapers to 3" at the edges to prevent precipitation from pooling. The shield features safety locks and straps with a dense foam core to ensure superior thermal insulation.
- **Electronic Controls:** Whisper Power Unit™ BP501G1 Equipment with Digital TP800 Topside is a user friendly topside display with easy-to-read digital readout with backlight is easy to operate and places every vital control at your fingertips
- **80 Exclusive Black Candy Cane™ Jets:** Each jet delivers a steady stream of water and is designed to address a specific muscle group for the ultimate hydrotherapy experience:
 - **Back, Neck and Shoulder Jets** deliver invigorating massages to sore back, neck and shoulder muscles
 - **Dedicated Calf Jets** treat tired and sore calf muscles
 - **Dedicated Dome Jets** treat tired and sore feet
- **Three Full-Size PurePlush™ Cascade Pillows:** cradle your neck as you unwind after a long day!
- **Curved Cascade Waterfall:** A soothing sound enhanced with LED lighting captures your senses, adding your overall relaxation experience
- **Exclusive Adjustable Therapy System™ I:** with dedicated digital topside allows you to customize your hydrotherapy experience with seven different massage programs. Features an independent 2.0 BHP pump with targeted jets for maximum efficiency.
- **Premium LED Lighting Package:** includes a multi-colored LED spa light, LED perimeter lighting, and LED waterfall lighting
- **High-Performance 3 x 6.0 BHP Pump System:** features two independent winding speeds to maximize efficiency and durability – the most reliable pumps with less moving parts
- **150 sq. ft. Bio-Clean™ Filter with Weir Gate:** An easily accessible, reusable filter that provides balanced filtration. This system uses Microban inhibitors to prevent bacteria growth.

- **Exclusive PureCure™ UV Water Sanitization System:** uses the power of natural ultraviolet light to purify spa water; instantly killing bacteria, algae and viruses
- **Exclusive Quiet Clean™ 100% Filtration System:** Pump circulates 24/7 to quietly filter heated water. Water features, such as the Cascade Waterfall, can operate without the need to run a therapy pump.
- **Exclusive 5.5 kW PureHeat™ Titanium Heating System:** The most dependable, longest lasting heater in the industry. With its patented design, the heater element is coiled around a stainless tube and never comes into contact with the water.
- **Thermo-Guard™ Full Foam Insulation:** High-density insulation locks all plumbing firmly in place. Closed cell foam provides additional structural support and helps repel water. Energy efficiency is increased with the standard application of Shell-Loc™ Foam Technology and Thermo-Layer™ Cabinet Insulation.
- **ABS Bottom Pan:** seals out cold air and moisture and retains valuable heat. Saves energy for efficient operating costs
- **Exclusive Stor-Dry Winterizing Plumbing System:** All lines are plumbed to the drain valve to enable full water drainage and protect the spa from freezing during cold winter months
- **Gate Valves:** help prevent water from draining out of the hot tub when equipment must be removed for maintenance

OPTIONAL FEATURES:

- LED Dual Hydrostreamers™ with Valve
