

VELOCITY SPAS™

Hydrotherapy at its best!

V-500DL

6 PERSON DOUBLE LOUNGER SPA
WITH HYDROTHERAPY 54 JETS

- Exclusive Stainless Steel Hydrotherapy Jets
- His & Her Lounger Seats
- Premium LED Lighting Package
- High Performance 5.0 BHP Pumps
- Pure Silk™ CD Ozonator

STRUCTURAL

Velocity Spas™ are warranted against water loss due to defects in the spa shell for ten years from the original date of delivery.

PLUMBING

Velocity Spas™ are warranted against leaks due to defects in workmanship or materials for five years from the original date of delivery.

FINISH

Velocity Spas™ are warranted against blistering, cracking, or delaminating of the interior surface of the spa shell for seven years from the original date of delivery.

CABINET

Velocity Spa™ cabinets are warranted against defects in workmanship or materials for five years from the original date of delivery. Normal wear and weathering of the finish will occur naturally over time and are not defects.

EQUIPMENT & CONTROLS

Velocity Spas™ electrical equipment components – specifically limited to the pumps and control system – are warranted against malfunctions due to defects in workmanship or materials for five years from the original date of delivery.

PARTS & LABOR

There will be no charge for parts or labor to repair the defect up to five years from the original date of purchase, although providing access to affect the repair is the spa owner's responsibility.

SPECIFICATIONS & FEATURES

Specification & Features

- **Seating:** 6 person
- **Dimensions:** 87" x 87" x 39.5"
- **Weight:** 850 lbs. / 4,390 lbs. filled
- **Water Capacity:** 425 gallons
- **Operating Voltage:** 240V
- **54 Exclusive Stainless Steel Hydrotherapy Jets:** Each jet delivers a steady stream of water and is designed to address a specific muscle group for the ultimate hydrotherapy experience. Back, Neck and Shoulder Jets deliver invigorating massages to sore back, neck and shoulder muscles. Dedicated Calf Jets treat tired and sore calf muscles. Dedicated Dome Jets treat tired and sore feet.
- **Woman's Comfort Lounge Seat:** The depth of the seat pan is matched for an average woman's torso height and the back of the lounge is reclined slightly past 90-degrees to prevent floating. The leg rest is elevated and curved higher at the knee with feet resting comfortably on a pedestal.
- **Men's Full Length Lounge Seat:** A deeper, longer lounge seat with more jets that deliver a bolder intense massage.
- **Premium LED Lighting Package:** An LED spa light illuminates the entire hot tub from the bottom up, giving you sufficient lighting during the evening hours. Stylish perimeter LED lights eliminate glare at the water line.
- **Curved Cascading Waterfall with LED Lighting:** Enjoy the sound of a Cascading Waterfall while multi-colored LED lights stream a sequence of vibrant colors.
- **Three Full-Size PurePlush™ Velocity Pillows:** Contoured pillows support the head and neck, providing a natural rest position for superior comfort.
- **Whisper Power Unit™ Equipment with Digital Topside:** An intuitive electronic spa control system designed to easily adjust the spa settings. Allows you to warm up the hot tub, adjust the lighting, set the water temperature, turn on the massage jets, and adjust the spa lighting to your desired preferences.
- **High-Performance 3 x 5.0 BHP Pump System:** features two independent winding speeds to maximize efficiency and durability – the most reliable pumps with less moving parts.
- **Pure Silk™ CD Ozonator:** Injects dissolved ozone into the spa water where it combines with bacteria and other water borne pathogens to kill or neutralize it making your spa water cleaner and safer to enjoy.
- **100 sq. ft. Bio-Clean™ Antimicrobial Filter with TeleWeir:** Utilizes a special bacteria-fighting agent that is molded into the fabric of the filter which prevents harmful microbes and bacteria from reproducing. TeleWeir design prevents debris from re-entering your water system.

- **Exclusive PureCure™ UV Water Sanitization System:** Exposes microorganisms to UV light, killing them instantly and preventing them from reproducing. Lowers your dependency on chemical sanitizers to treat a closed water system.
- **WhisperHot™ 5.5 kW Titanium Heater:** Titanium's inert properties resist corrosion and calcium build up, making it the most advanced and reliable heater in the industry.
- **Durable Acrylic Shell:** Vacuum-molded using an exclusive Fibersteel™ Construction process, then reinforced with vinyl ester and fiberglass
- **Cal Preferred™ Cabinet Panels:** The cabinet is an integral part of the construction of the spa. Each cabinet is designed to provide maximum support for every spa and can be styled to match your favorite shell color with your choice of colored cabinet panels.
- **Heavy Duty Hydro-Armor™ Spa Cover:** A 5"-3" insulated cover with 1.5 lb density foam core provides enhanced heat retention and adds an extra layer of thermal insulation.
- **ABS Bottom Liner:** seals out cold air and moisture and retains valuable heat. Saves energy for efficient operating costs
- **Exclusive Stor-Dry Winterizing Plumbing System:** All lines are plumbed to the drain valve to enable full water drainage and protect the spa from freezing during cold winter months.
- **Gate Valves:** Prevents water from draining out of the hot tub when equipment must be removed for maintenance.
- **Shell-Loc™ Foam with Thermo-Layer+™ Blanket:** An energy efficient solution for encapsulating residual heat depends on sealing in heated air while the spa heater is in use. Combining a high density foam layer to the bottom of the shell, wrapped with a thermo-blanket surround, absorbs radiant heat and adds a barrier which prevents air from escaping.
- **True Blue™ Vacuum Safety Break:** Automatically reduces pump suction in the event of an obstruction or intake blockage.

OPTIONAL FEATURES:

- Thermo-Guard™ Full Foam Insulation
- Cabinet Accessible Drain Valve
- Cal ClarityII Bromine Generating Salt System
- Quiet Clean™ Filtration System (56 Frame)
- 2 x Corner Cabinet LED Lighting (Front Only)
- Cal Spas Wi-Fi Module
- Xi-Sound Stereo System iPod Station with Four (4) 4" Speakers with Subwoofer
