STRUCTURAL

Velocity Spas™ are warranted against water loss due to defects in the spa shell for ten years from the original date of delivery.

PLUMBING

Velocity Spas™ are warranted against leaks due to defects in workmanship or materials for five years from the original date of delivery.

FINISH

Velocity Spas™ are warranted against blistering, cracking, or delaminating of the interior surface of the spa shell for seven years from the original date of delivery.

CABINET

Velocity Spa™ cabinets are warranted against defects in workmanship or materials for five years from the original date of delivery. Normal wear and weathering of the finish will occur naturally over time and are not defects.

EQUIPMENT & CONTROLS

Velocity Spas™ electrical equipment components – specifically limited to the pumps and control system – are warranted against malfunctions due to defects in workmanship or materials for five years from the original date of delivery.

PARTS & LABOR

There will be no charge for parts or labor to repair the defect up to five years from the original date of purchase, although providing access to affect the repair is the spa owner's responsibility.
