## ULTIMATE FITNESS™ SWIM SPA

### F-1222

#### 6 PERSON FITNESS SPA WITH 22 JETS

- 22 Exclusive Stainless Steel Candy™ Cane Jets
- Exclusive Swim Jet Propulsion System 1™ River Jet
- 9" Stainless Steel Exercise Bar
- Tether Anchor
- Exercise Anchor

#### STRUCTURAL

Cal Spas Ultimate Fitness™ Swim Spas are warranted against water loss due to defects in the spa shell for ten years from the original date of delivery

#### FINISH

Cal Spas Ultimate Fitness™ Swim Spas are warranted against blistering, cracking, or delaminating of the interior surface of the spa shell for seven years from the original date of delivery.

#### EQUIPMENT & CONTROLS

Cal Spas Ultimate Fitness™ Swim Spas electrical and electronic components are warranted for five years, specifically: the control system, pumps and air blowers against malfunction due to defects in materials and/or workmanship. Leaking caused by operating pump while dry is specifically excluded from this warranty.

#### LABOR

Cal Spas Ultimate Fitness™ Swim Spas are warranted for five years covering the cost of labor due to warranty repairs.

#### CABINET

Cal Spas Ultimate Fitness™ Swim Spa cabinets are warranted against defects in workmanship or materials for five years from the original date of delivery. Normal wear and weathering of the finish will occur naturally over time and are not defects.

- Exclusive Hi-Light™ Jets, and Valves LED Lighting I
- Pure Silk™ Ozonator
- Pure Cure™ UV Sanitizing System
- Cal Spas Wi-Fi Module
- Xi-Sound Stereo System iPod Station with Four Speakers - (2) 6" and (2) Poly Planar Speakers
- Powered Subwoofer

## SPECIFICATIONS & FEATURES

- **Seating:** 6
- **Dimensions:** 93"W x 141"D x 42"H
- **Weight:** 1,600 lbs. (Dry) / 14,100 lbs (Filled)
- **Water Capacity:** 1,500 gallons
- **Operating Voltage:** 240V
- **Durable Sterling Silver Acrylic Altair Plus Shell:** The thickest acrylic in the industry. Vacuum- molded using an exclusive Fibersteel™ Construction process, then reinforced with vinyl ester and fiberglass
- **Exclusive Swim Jet Propulsion System 1™ River Jet:** A single 14" swim jet with an adjustable nozzle that turrets up and down with 20% of adjustment, allowing each swimmer the ability to customize their swimming experience by changing the direction of the waters current.
- **5.0 BHP HD56 Power Frame Pump:** Our durable 56 frame high-performance pump efficiently circulates and filters spa water with ease.
- **6.0 BHP Swim Jet Pump with 2.5" Plumbing and Hi Flow Main Drains:** A 6.0 BHP Swim Jet Pump circulates up to 300 gallons per minute offering enough swim resistance to build strength and give swimmers the benefit of lap swimming.
- **Exclusive Stainless Steel Candy Cane™ Jets:** Each jet delivers a steady stream of water and is designed to address a specific muscle group for the ultimate hydrotherapy experience. Back, neck and shoulder Jets deliver invigorating massages to sore back, neck and shoulder muscles. Dedicated Calf Jets treat tired and sore calf muscles.
- **100 sq. ft. Bio-Clean™ Antimicrobial Filter with Teleweir:** Utilizes a special bacteria-fighting agent that is molded into the fabric which prevents harmful microbes and bacteria from reproducing and re-entering your water system.
- **True Blue™ Vacuum Safety Break:** The safety break feature automatically reduces pump suction in the event of an obstruction or intake blockage.
- **9" Stainless Steel Exercise Bar:** Tone your body using the exercise bar for resistance training regiments. Can be used for balance, flexibility, and core stabilization training.

- **Tether Anchor:** Build strength and burn calories by adding a swim tether bar kit to your swim spa. Easily attach to the tether anchor for stationary swimming and increased resistance, giving you the same benefits of lap swimming.
- **Exercise Anchor:** Easily attach your Cal Flex exercise equipment to anchors found along the swim spa walls.
- **Pillows:** Contoured pillows support the head and neck providing a natural rest position designed for superior comfort and relaxation.
- **Exclusive Stor-Dry™ Winterization Plumbing System:** All lines are plumbed to the drain valve to enable full water drainage and protect the spa from freezing during cold winter months.
- **Multi Colored LED Spa Light:** Fitted under water in view of the swimmer illuminating the entire swim spa and acting as a swim lane marker.
- **Whisper Power Unit™ Equipment with Digital Top Side:** An intuitive electronic spa control system designed to easily adjust the settings of the spa to meet your therapeutic needs.
- **Shell-Loc™ Foam Thermo-Layer +™ Blanket:** An energy efficient solution for encapsulating residual heat generated while spa is in use. Combining a high density foam layer to the bottom of the shell, wrapped with a thermo-blanket surround, reflects radiant heat and adds a barrier which prevents air from escaping.
- **WhisperHot™ 5.5 kW Titanium Heater:** Titanium's inert properties resist corrosion and calcium build up, making it the most advanced and reliable heater in the industry
- **Cal Preferred™ Cabinet Panels:** The cabinet is an integral part of the construction of the spa. Each cabinet is designed to provide maximum support for every spa and can be styled to match your favorite shell color.
- **Bottom Armor ABS Shield:** Seals out cold air and moisture while retaining valuable heat.
- **Hydro-Armor™ Spa Cover:** A 5"-3" insulated cover with 1.5 lb density foam core provides enhanced heat retention and adds an extra layer of thermal insulation.
